What is a great educational program worth?

If every family contributes at least \$100 per child per year, Tomo no kai will have the funds to continue providing our teachers, schools, and children what they need to make this great program work. Think about the other ways you may spend \$100. For some families, that much or more is spent on a single night out.

Can you give more? If you can afford to give more, you will help the families who aren't able to give as much. We should all contribute what we can.

Mail your application and donation to **Tomo no kai c/o Sand Lake Elementary, 7500 Jewel Lake Road, Anchorage, AK 99502**, or drop it by the school office.

Tomo no kai is a non-profit 501(c)(3) and supports Japanese Immersion from Kindergarten through High School.
