

*Japanese Immersion Fall Family
Dinner
Family Dinner and Silent Auction
6:30 pm Saturday, October 6th
at Mears Middle School*

Dear Parents,

Tomo no Kai is the organization of parents for the Japanese Immersion Program. It is instrumental in generating funds for interns, teacher education, teaching materials, and student exchanges with Chitose, Japan. A major fundraising event for the school year is the *Family Dinner and Silent Auction*. At this dinner, families and teachers in the program join together for a fun-filled Japanese dinner and entertainment event.

We are looking for donations for the silent auction and raffle, including class sponsored baskets. This year we have just over one week to gather donations and need your help.

A box for donations for class baskets is in each immersion classroom. Your class representatives will be collecting the baskets or donations for the auction. Classroom themes, along with content ideas, are below but all donations are welcome. We are also in need of baskets (or decorative containers) if you have any to donate. Donations of cash or check are also gladly accepted, checks made out to: **Tomo no Kai**. Please have your child bring any cash or check donations to class in an envelope labeled "Fall Dinner Donation." Another idea is to ask for business donations, perhaps from a business you frequent. Tomo no Kai has been fortunate each year to have several businesses support the auction by donating an item or a service. All donations are tax deductible, Tomo no Kai tax ID# 92-0162774.

Please note: all items or donations are due by Friday, Sept.28th.

Your classroom representative:

Our class basket themes will be:

- 1) _____
- 2) _____
- 3) _____
- 4) _____

Thank you
