How it works

Step 1: Sign up on the TNK website!

Choose a card for your Kanji name from two options.

Option 1: Plain White Card Stock

Option 2: Japanese Koi Fish

Step 2: Receive links for Zoom and Youtube Kanji Lesson Video

Check your assigned time and watch the lesson video prior to the Zoom Session.

Step 3: Show up the assigned Zoom session on time.

We'll suggest a couple of kanjis for each syllable of your name. You'll pick one for each syllable after hearing the explanation of each kanji. Now we're ready to create your card.

Step 4: Pick up your Kanji name card!

Pick-up date will be announced. You will find directions for pick-up in an email with the date.

What you get

Kanji Lesson Video

You will learn kanji's history and Japanese language, and how kanji are formed. The information should help you understand why Japanese has three different letters (Hiragana, Katakana and Kanji).

Zoom Kanji Session

You will learn the meanings of various kanji.

You will enjoy the process of choosing kanjis that suit you well.

Those Kanjis are unique and special for you.

Kanji Name Card

Our interns are great calligraphers.

They will write your kanji name on the card with a real calligraphy brush and ink.
